Fed Up With Cancer was established in 2010 to serve as an outlet for people to fight back against cancer. We are a team of people at MassPay, a payroll and insurance services company based in Beverly, Massachusetts, who have been individually challenged by cancer in many different ways. As a team, we are **Fed Up With Cancer** and have decided to rally folks around fundraisers to fight it. We organize fundraising events and campaigns. Proceeds from our fundraisers have supported the North Shore Medical Center Cancer WALK, along with other charitable organizations that fight cancer. Our focus is on helping organizations that specialize in cancer research and prevention.

This year's **FED UP WITH CANCER EVENT** will include a **sampling of German foods from local restaurants, beer tastings, silent and live auctions, and a Live Oompah Band!**

Entire proceeds from the event will support programs and services for cancer patients at the NSMC Salem Hospital and the Mass General/NSMC Cancer Center in Danvers.

THANK YOU IN ADVANCE FOR YOUR GENEROSITY!
